Renee will be remembered for her various talents. During her childhood years she was a member of the Marching Flamingos drill team. Not only was she a fabulous stepper, she also played the timbales for the junior Flamingos. Over the years, the family depended on her to DJ weddings and family reunions. Watching sports was one of her loves. An avid Giant's fan is etched in all of our memories of Renee and she inducted all of her nieces and nephews into her Giant's fan club.

Renee spent endless hours spending time with Magnum who was her everything (best friend, child and protector). Playing Frisbee on the beach was their special time spent together.

Fill Not Your Hearts With Pain And Sorrow

*Fill not your hearts with pain and sorrow
But remember me in every tomorrow,
Remember the joy, and the smiles
I've only gone to rest a little while
Although my leaving causes pain and grief
My going has eased my hurt and given me relief.
So dry your eyes and remember me,
Not as I am now, but as I used to be.
Because I will remember you all
and look on with a smile.
Understand in your hearts,
I've only gone to rest a little while.
As long as I have the love of each of you
I can live my life in the hearts of all of you.*
