## *Reflections of Life*

**Rosemary Gilchrist**, affectionately known as Rose, Auntie Rose, RoMay & Big Baby by her friends and family, was born June 24, 1959 in Paterson, New Jersey to Annie Lee Evans and Joseph Robinson.

A loving mother, wife, sister, aunt, and friend. Rose was educated in the Paterson Public School system.

If one had to describe the lovable person named Rose, it would be she was caring, loving, had a smile that would light-up a room, a laughter that could bring joy to a crowd, a devoted & dedicated mother who made sure her children were well-kept and knew they were loved. She was a loyal friend, and a loving grandmother who cared and loved each of her grandchildren dearly. Rose was self-less never complaining about the service she did for others and made every person feel they were special. Rose was special and kind person, whose vibrant spirit will be missed.

*A Mother's Love Is  
Being happy for her children  
When they are happy  
Being sad for her children  
When they are sad*

*Being together in good and bad times.  
A Mother's Love is a source of strength*

*A Mother's Love Is  
Being honest with herself at all times  
Being honest with her children at all times  
Talking, listening and respecting  
the truth and never pretending*

*A Mother's Love is the source of reality.*

*A Mother's Love Is  
An understanding so complete that she feels  
as if she is a part of her children*

*Accepting her children just the way they are  
And not trying to change them into being something else*

*A Mother's Love is the source of unity.*

*A Mother's Love Is  
The freedom to pursue her own desires while  
sharing her experiences with her children  
The growth of her individuality along with  
the growth of her children's individuality  
A Mother's Love is the source of success.*

*A Mother's Love Is  
Knowing that her children will always be with her  
Regardless of what happens*

*Missing her children when they pass  
But knowing that they are near in her heart  
A Mother's Love is the source of security.*
