Reflections of Life

Allan Robinson was born on January 18, 1969 in Paterson, NJ to the late Polly Ann Robinson and Joseph Alexander.

He attended Paterson Public School Number 28, and John F. Kennedy High School. During his school years, he enjoyed playing sports such as baseball, basketball and football. After high school, he began working in the sanitation industry first, then in waste management and finally, the independent contracting field which he continued into a life-long career.

During his young adulthood, he became a father to his one and only child, Daj'a, who was his pride and joy. His family remembers him as being a funny, charming and an outgoing individual who always encouraged others to pursue their goals.

Allan was a very skillful handyman who could help you with just about anything. He was also a witty individual who loved to help others and was passionate about completing his projects.

He was an active and dedicated member of the St. Philip's Ministry of the United Methodist Church in Paterson, NJ. He will always be remembered as a strong man who persevered through many of life's struggles with a smile.

He is preceded in death by his mother, Polly Ann Robinson and his father Joseph Alexander, both of Paterson NJ.

CHANGE OF ADDRESS

Hello Everyone.

I just wanted to let everyone know That I have moved.

I received a call from God and the head architect, He informed me that my new home is completed. Well I'm all packed up and ready to go! I've been waiting for my new house to get done with the finished touches, and the chief carpenter, Jesus Christ had to inspect and give it his final approval! On 8/14/14, he let me know that my home was completed and was ok for me to move right in. He told me to go ahead and change my address. Well, my new home is done and what a site to see. It's located in a lovely community behind a beautiful pearly gate and of course you know the streets are paved with gold and everyday is Sunday just like you were told. The trees of fruit grace my garden And I can walk and talk with my master without a worry or care. I lived a few places throughout my years by my new home is so much better than any place I've ever lived! It's a reunion ya!! I'm finally reunited with my Mother, Polly Robinson, Father, Joseph Alexander and Aunt Cynthia Robinson and a host of others! The best of all, I'm with my Heavenly Father and all his glory. Oh yes, I have my own designer here, who has fitted me for my own white robe and wings. I can go and on about my new home but instead I'm going to pray, that you get to move here yourself one day.

But before I go, let me give you all my New ADDRESS:

Allan Robinson
Pearly Gates Highway
Godstown, Heaven 7777

P.S. I do not have a telephone yet but you can always call God. He will surely deliver the message. If you don't have his number, read the bible, it's on every page.
