## *For My Sister*

“Kiki” passed away December 2, 2017 at the tender age of 39.  
A beautiful girl who equaled as my best friend.

Love you always Kiki.....

My heart is broken forever.

People tell me that in time the pieces will  
eventually come back together.

If this is true, though hard to believe now,  
there will always be an empty space,

The missing piece to which has your name on its place  
Tears have been falling now for so long

When I think of your beautiful face it all seems so wrong

Nothing is the same now and I doubt it ever will be

You have been released from pain and suffering, you have been set free.  
And from life as we knew it, it was time for you to take your final bow.

I will miss your voice, your infectious laugh,  
hearing you sing and watching you dance.

The world has lost a wonderful girl, a true and amazing friend.

Kiki continue to engulf us with your love

Give us strength, keep us close and watch over us from above.

I love you.....

Love Kenya
