## Obituary

### *Sharelle Monique Moore Gardner*

*A beautiful angel came quietly into the world on September 30, 1965 and quietly left the world on December 8, 2017. Oh what a loss for all that knew her. She was a wonderful individual. A doting wife and mother. A beloved daughter and a wonderful relative and friend. Her departure has left many people devastated and broken hearted. Life for many will never be the same. She will never be forgotten for she truly, truly, truly was an angel on earth.*

*Sharelle attended St. Aloysius Elementary School, Cathedral High School and C.W. Post College. She began working in the world of finance shortly after college. She was employed at Immigrant Bank for several years before leaving in 1999 to join Apple Bank for Savings where she was highly regarded. She would remain at Apple Bank until her untimely departure as an Assistant Vice President and Branch Manager. Recently, due to her dynamic involvement and dedication to the development of the community economics she was selected to become a member of the Bronx Chamber of Commerce.*

*Sharelle will be sadly missed by: her husband, Peter Moore; her children, Elias Zenas and Indigo Zuri Moore; her step-daughter, Amanda Moore; her parents, Patricia and Reggie Gardner; her godchild, godmother and godbrother; her aunts, Joyce Rector and Lori English; her uncles, Reginald English and Charles Rector; her great aunt, Kathleen Wright; cousins, Felicia Rector and Natasha Randolph; her best friends, Kelly, Jackie, Lanisha, Meckha and Kathy; and a long list of in-laws, childhood friends, and fellow employees. It is impossible to name everyone because the list is endless.*

*When Sharelle would visit friends and other family members as a child, everyone always wanted to keep her longer than she was scheduled to stay because she was so lovely. Her mother always had to extend her summer visits. One of her professors once asked her mom to please tell her what she had done to have a child so sweet and well behaved as Sharelle. She was very smart and as a result, skipped grades in elementary school. She was just sixteen when she went off to college. When her mother fell ill she never left her side. Sharelle and her family made it their mission to get her back on her feet. Everything she did was out of love. Well done, Sharelle Gardner, well done.*

# *A Heart of Gold*

*A heart of gold stopped beating,  
Two shining eyes at rest,  
God broke our hearts to prove  
He only takes the best,  
God knows you had to leave us,  
But you didn't go alone,  
For part of us went with you,  
The day He took you home.  
To some you will be forgotten,  
To others, just part of the past,  
But to us who loved and lost you,  
Your memory will always last.*
