*Precious  
Memories*

*I love you sooooo much you are my only big brother how can I not growing up I wanted to be just like you I wanted to follow you everywhere I would cry sometimes if you didn't let me go with you. You taught me how to play ball, dress with confidence, be cool and you taught me how to mature and be humble. If I did wrong you were the first to tell me "bro you know you wrong" and I would listen. You always looked out for me no matter what. You are more than a big brother your lil dad to me and its always been me you and Mommy. IDK what to do without you, I'm lost...I've been lost since you left. I know you're watching and you want me to stay strong but it hurts bro it hurts bad. I just wanna hug you bro and tell you how much I love you. I'm sorry I wasn't there to save you. I'm gonna be strong, focused for you bro just like you would want me to. I promise I will make you proud and take care of Mommy. I love you forever brother.*

*Love You,  
Lil Brother*

*My Sourpatch,*

*Although, you are not here in flesh on earth you are the most genuine and passionate person I know. I will not use past tense because your presence will never leave here and will remain with me. I love you so much and I'm happy you came into my life because you truly are a blessing. Our partnership is one of the best things that happened to me.*

*One thing i will miss for sure is expressing our feelings and communicating through music with each other.*

*It feels like I've known you my whole life*

*Most of us are angry*

*Most of us are strangely*

*More alike than we'd like to believe*

*Most of us are empty*

*Most of us are simply*

*More alive in the scenes of our dreams*

*Then there's you*

*You've got something I've been wanting,*

*You're my salvage, you're my balance....*

*It hit me like a tidal wave*

*Knew that I was in love with you right away.....*

*Most of all I am thankful*

*You are just what I prayed for*

*You are what I was made for*
