# COME TO ME

*God saw he was getting tired  
And a cure was not to be  
So He gently closed those loving eyes  
And whispered "Come to me"  
The days of toil and nights of pain  
The weary hours have passed  
The patient gentle worn out frame  
Has found sweet rest at last.  
Day and night we stood by him  
And saw him in pain,  
Anxiously awaiting his cure  
But our waiting was in vain.  
God who knoweth all things best  
Eased his suffering, gave him rest  
He is gone but not forgotten,  
Never will our memories fade  
Sweetest thoughts of him will ever linger  
Round the place where he rests.*
