

# Miss Me But Let Me Go

When I come to the end of the  
road and the sun has set for me,  
I want no rites in a gloom filled room,  
Why cry for a soul set free?

Miss me a little-but not too long,  
and not with your head bowed low.  
Remember the love that we once shared,  
Miss me-but let me go.  
For this is a journey that we all must take,  
And each must go alone.

It's all part of the Master's plan,  
A step on the road to home.  
When you are lonely and sick at heart,  
Go to the friends we know.  
Laugh at the things we use to do  
Miss me-but let me go.

## *I Did Not Die*

*Do not stand at my grave and weep:  
I am not there, I do not sleep.  
I am a thousand winds that blow:  
I am the diamond glints on snow.  
I am the sunlight on ripened grain:  
I am the gentle autumn's rain.  
When you awaken in the  
Morning's hush,  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft star that shines at night.  
Do not stand at my grave and cry.  
I am not there: I did not die.*
