# Obituary

Camille Rodericka Malcolm was born on January 30, 1992 in Brooklyn, New York. She obtained her early childhood education at UCP, Westchester School for Special Kids and later moved on to P.S 811 K. She was currently active in an adult day program of YAI.

Camille was the most loving, caring, happy fun-loving young lady. She loved gospel music and reggae, especially Beres Hammond's songs. She was super excited whenever it was time to travel and even more excited to eat her favorite foods.

Camille had a super close bond with her mother, Lorna. They were always together, they did everything together. Her mom was her best friend. Everyone who met Camille loved her. She had a very unique personality and she spread love in abundance more so to those she truly loved. She will always be remembered as such.

On April 4, 2020 God called Camille home because her work here was done.

She is survived by her mom Lorna Malcolm and father Roderick Chappelle, aunt Mable Malcolm-Ismael; uncles Anson, Teddy & Glen Malcolm, many cousins and a host of friends. She is now with her grandma and grandpa Malcolm in that beautiful garden in heaven. Camille, it broke our hearts to lose you but you didn't go alone. A part of us went with you the day God took you home. Sleep in peace precious one until we meet again. We will always love you.

# *I'm Free*

Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard Him call  
I turned my back and left it all.

I could not stay another day.  
To laugh, to love, to work or play.  
Tasks left undone must stay that way,  
I found that peace at the close of day.

If my parting has left a void,  
Then fill it up with remembered joy.  
A friendship shared, a laugh, a kiss,  
Oh, yes these things I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much.

Good friends, good times,  
a loved one's touch.

Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free!

## *Acknowledgements*
