Reflections of Life

Kelvin A. Alexander was born on December 15, 1957 at Wayne General Hospital in Paterson, NJ to Nancy Alexander and Lawrence “Garland” Jackson.

Kelvin attended the Paterson School system, and adventured to do his own thing. He was a life long resident of Paterson and he loved to call it home.

Kelvin, well known to all as “Sharif” was employed with his uncle Joe and cousin Dinkey driving/moving furniture. He then became employed with Fisher Moving Company in Paterson, NJ. There after, Sharif landed employment with Buckingham Rehab Center in Norwood, NJ for several years where he drove nurse’s aides and custodians from Orange, NJ to Norwood, NJ. He left there and became employed with Life Source Medical Facility as a driver where he dropped patients off and picked them up from their destinations until he became ill. He loved those jobs so much.

Sharif enjoyed and loved talking about the good old days, cars, music and was a jokester. He also loved to get dressed, loving his hats and sneakers, matching from head to toe. He enjoyed hanging with his dudes kicking it and later on enjoyed going to the beaches and casino’s.

Kelvin was preceded in death by his father and his mother (who died at child birth), step-brothers, paternal and maternal grandparents.

He gained his wings on April 7, 2020 at the Atrium Post Acute Care in Wayne, NJ, where they grew to love him and his spirit.

Sharif leaves to cherish precious memories four sons; Sharif of North Carolina, Malike “Thurst” Taylor, Marvelous “Marv” Pitts of Paterson, NJ, Quarwon Pendleton of Atlanta, GA, three daughters; Ashley Alexander of Long Beach, CA, Kymani Alexander of Clifton, NJ and Kyri Alexander of North Carolina, his cousin/brother; “Dinkey Alexander” (Michelle) of Delanco, NJ whom he loved dearly, three sisters; Debra Nancy “Dea” Alexander of Paterson, NJ, Fentress “Fenny” Carter of Passaic, NJ and Glenda Jackson-Bransford of Chesapeake, VA, his mother’s best friend, Miss AnnLee Walker (who took the role as Kelvin’s mom) whom he loved unconditionally... I could hear her calling him Kelvin, one aunt; Henrietta Josey of South Jersey, one uncle; Joseph “Joe” Alexander of Philadelphia, PA, three nieces; Katayah Carter of Raleigh, NC and Markeicha Jackson of Passaic, NJ and Mekka Alexander of Paterson, NJ, twelve grandchildren, four great nephews, one great-niece, two nephews; Roger ‘Rah-Rah’ and “Stink” of Paterson, NJ and a host of cousins, family and friends. He also leaves to cherish his dudes; Hameen Johnson, Bro Sam, Tim Rashon Dixon, Troy Franklin (Math), Murk, Smooth and Buddah.

Rest in peace my brother, you are not suffering anymore... You’re Free!
