## *Life Reflections*

Arnoux Laurent was born November 20, 1919 to Ansothene Laurent and Saint Elyse Dubois in Jeremie, Guadeloupe. He was the third of 11 children. The first who emigrated from Jeremie to Port-au-Prince at the tender age of 16 in search for better financial opportunity for the other siblings and himself.

As the family recalled, he was born with heart of gold. He was the protector and provider of the family until the very end. After migrating to port-au-prince, he befriended powerful individuals who mentored him and enabled him to become the successful entrepreneur. After establishing tremendous success in port-au-prince, he then sent for his brothers and sisters to live with him and in turn sent them to school, created businesses for them simultaneously to live the successful life he so passionately created.

On April 10, 1974, Arnoux Laurent wedded his beloved Vera Bratus and they were blessed with 2 wonderful years of marriage before life unluckily parted their union. During his youthful years, he was part of Duvalier's Regime which was overthrown in 1986 where he once again was forced to part ways with his native country in 1988, because of his status and start a new search for better, safer life for his children.

During his stay in the United States, Mr. Laurent continued his legacy of hard work to enable him to provide for his children and family financially. Being the shrewd businessman and hardworker that he was, his life legacy continued and he managed to continue the journey he started by owning and managing his businesses which was taught to most of his children.

A true humanitarian he was, contributed to many acts of kindness, distributed food, clothing and other property to many in need, and volunteered his time to the service of humanity.

Whenever, whenever Mr. Laurent was known to be the ever providing magician, he always had some token in pocket for all, from a piece of candy to plate of food, to a three piece suit. He was forever giving and providing Mr. Arnoux Laurent lived life which mattered. His life was the epitome of success and happiness! Mr. Laurent was the proud and loving father of 11 children and 8 grandchildren.

**Mr. Laurent's children:**

Marie-Ange Laurent, Joel Laurent, Alex Laurent, Veron Laurent,  
Marie-Alice Laurent, Manonchka Laurent, Junior Laurent, Clifford  
Laurent, Stanley Laurent, Laura Laurent, Anabekah Laurent.

**Grandchildren:**

Arlene, Christopher, Laonia, Talen, Elizabetha, Ejuissa Danika,

And many loving friends and family whose lives he touched, he will

# *The Epitome Of A Successful Man*

“That man is a success –who has lived well,  
laughed often and loved much;  
who has gained the respect of intelligent men  
and the love of children; who has filled his niche  
and accomplished his task; who leaves the world  
better than he found it;  
who has never lacked appreciation of earth’s  
beauty or failed to express it.;  
who looked for the best in others and  
gave the best he had.”
