Final Flight

Little did we know that morning,
God was going to call your name,
In life we loved you dearly,
In death we do the same.
It broke our hearts to lose you,
You did not go alone,
For part of us went with you,
The day God called you home.
You left us beautiful memories,
Your love is still our guide
And though we cannot see you,
You are always by our side.
Our family chain is broken
And nothing seems the same
But as God calls us one by one
The chain will link again

God bless us One and All.

I Am Free

Do not grieve for me, for now I am free,
I am following the path God laid for me.

I took his hand when I heard his call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, to play.

Tasks left undone must stay that way,
I have found that peace at the end of the day.

If my parting has left a void,
Then fill it with remembered joy.

A friendship shared, a laugh, a kiss,
Ah, yes, these things too I will miss.

Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.

My life's been full, I savored much,
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,
Do not lengthen it now with undue grief.

Lift your heart and share with me,
God wanted me now, he set me free.
