

Dear Friends,

I want you to know that I have moved. I received a call from God's Chief Architect who informed me that my new house is ready and that I can move immediately. You know that I have been sending up my timber, packing up and getting ready to go but there were some minor finishing touches on the timber that only the Chief Carpenter Jesus Christ could complete. Some of the timber was a little too broad, thin or not long enough. Well my new home is finished and is such a beautiful site to behold. It is located in an exclusive estate area and it sits behind a beautiful pearly gate just off a serene celestial shore. Of course, the streets are paved with gold and everyday is sunny there I have been told. I've lived many places before my new house was prepared and none of the others can compare. There is peace, joy and happiness here and no pain to bare of strife and discontent. There is only sweet serenity everywhere. I can go and on about my new home but I have to go get fitted for my new robe.

Let me give you my new address

P.S I don't have a telephone yet but you can call Jesus Christ and if you don't have his number, he is listed in the Good Book on every page.
