I'm Free

I'm free don't grieve for me now, I am set free. I am following the path God laid for me. It was Sunday my favorite day, when I heard his call home. I took the Lord's hand it was all apart of his mighty plan. I could not stay another day. Not to laugh, to love, work or play. Tasks left undone must stay that way. I am free so be not burdened with sorrow. I wish you all sunshine for tomorrow. Family, friends, good times and all the loved ones I've touched, just know my life has been full I'm free now resting peacefully. Perhaps my time seemed all too brief. Don't lengthen it now with undue grief. Lift up your hearts as I am free and keep my remembered joys peacefully. The Lord granted me one last day of grace. God needed me now and called me home to Heaven His resting place.
