# Butterfly Kisses

don't cry for me please don't be sad  
Hold on to the memories of the times we both had  
don't dwell on dark thoughts hold  
on tight to your wishes  
Sending you hugs and butterfly kisses

I walk beside you I am there all day long  
I am right here but you think I am gone  
You don't see me but I can see you  
What ever the problems  
I will help get you through

I am the wind in your hair the sand in your toes  
Butterfly kisses that you feel on your nose  
I am with you at sunrise and in sunset  
But you cant see me is my one regret

I sit right beside you when you are sad  
As you look through the photos of times we both had  
I watch you sleeping I hold you so tight  
Before I go I kiss you goodnight

I will watch over you from heaven above  
Forever you will be my one true love  
Hold on to your dreams and all your wishes  
Sending you hugs and butterfly kisses
