To Those I Love

To those I love and those that love me,
When I am gone, release me, let me go
I have so many things to see and do
You mustn't tie yourself to me with tears
Be happy that we had so many years.
I gave you my love, you can only guess
How much you gave me in happiness
I thank you for the love you each have shown
But now it's time I travel alone
So grieve for a while for me if you must
Then let your grief be comforted by trust.
It's only for a while that we must part
So bless the memories within your heart
I won't be far away, for life goes on
So if you need me, call and I will come
Though you can't see me or touch me,
I'll be near
And if you listen with your heart you'll hear
All my love around you so soft and clear
And then, when you must come this way alone
I'll greet you with a smile and say,
"Welcome Home."
