I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call
I turned my back and left it all.
I could not stay another day.
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.
If my parting has left a void,
Then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much.
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free!*

To: My Husband,

Since the day I met you, you always did everything for me. You cared about your family and was a good man. You were a man of God and I will never forget you.

Love you,

Your Wife

To: My Dad,

I want to thank you for everything you did for me. You will always be a part of my heart and I promise I'll make you proud.

Thank You,
Gregory

To: My Dad,

Daddy, my friend till the end... you were truly a blessing to us all, your kindness and your affections will be missed. I simply hope to have your wisdom and to carry on the love that you have shown us. You will always be in my heart my friend and I will cherish you forever.

Love you,
Erode

To: Dad,

Papi you taught me to be kindness and loving to others. I never had to question whether or not you loved me. Papi you always showed and express how much you love me. Papi you never passed judgement and always challenge me to be the best person I can be. Papi you never had to yell or hit, your look would do the trick. Papi you use to tell me don't fight fire with fire, fight it with love. Papi you have the most gentle, kind, and loving soul. I am kind, caring and loving because of you. I will never be the same without you hear with me. Words can't express how much I love you.

Love you always,
Dee Dee

To: Dad,

Thank you for giving me life. I always hoped that one day you and I would spend more time together like father and daughter. Despite the fact we didn't spend a lot of time together I still love you. Rest in peace my hero.

Love you,
Tretchard
