Reflections of Life

The day the sky opened and heaven admitted a new member.

Lorine Spruill was born in Jackson, North Carolina July 23, 1948. She was the daughter of the late Joshua and Mary (Boone) Spruill.

At an early age she relocated to Paterson, NJ. She was employed at Keller Nut Factory until the company moved to North Carolina. She was also employed by many other jobs until she retired.

Lorine was a member of the Solid Rock Baptist Church Paterson for many years. She was a member of the choir which she loved. She also loved to feed the children on Sunday morning at the church.

She loved her family. She loved having family gatherings at her home. She would call two months ahead of time asking family members to participate. Lorine really loved her family.

She departed this life on Wednesday, April 15 2020.

He was preceded in death by her devoted friend, George Johnson, five brothers, Joseph, Fred, Willie James, Charlie and Otis Spruill, six sisters, Hattie Mae Spruill, Blanche Perry, Mae Emma Boone, Lillie Mae Spruill, Delores White and Louise Parker.

Lorine leaves to salute her journey two sons, Dwight and Brian Spruill of Paterson; one sister, Everline Spruill of Paterson, NJ, and two brothers, Joshua Spruill of Paterson, NJ and Johnnie Lee Spruill of Tillery, NC; nine grandchildren, fourteen great grandchildren, many nieces and nephews; one special nephew, Calvin Spruill whom she loved to talk to.

She will be missed. She was known for telling you what was on her mind. We will miss her however God said He wanted her at home.

The Broken Chain

*We little knew that morning,
that God was going to call your name
In life we loved you dearly,
in death we do the same
It broke our hearts to lose you,
you did not go alone
For part of us went with you
the day God called you home.
You left us peaceful memories,
your love is still our guide
And though we cannot see you,
you are always at our side.
Our family chain is broken,
and nothing seems the same
But as God calls on us one by one,
the chain will link again.*
