Reflections of Life

Tyrone St. Clair Duncan was born on April 15, 1965 in St. Vincent and the Grenadines he was the child of Bernice and Theophilus Ashers Tyrone was the second of five children.

Tyrone was raised in lodge village with Motha his grandmother and siblings for a few years, tyrone migrated to the US in 1980 with his sister Charmaine. Tyrone attended Prospect Heights High School, coming to America was not a walk in the park for Tyrone and his sister. Sharmaine began to take on the role as a mother to Tyrone, which led there bond to grow inseparable. Tyrone help Charmaine raise her two children as he would his own.

Tyrone used to work with his dad and this is where his love grew for painting and design.

Tyrone had three children Nia Duncan, Tania Duncan and Taden Duncan. Tyrone loved his children. he lived for them this love was a special kind one that words could not describe.

Tyrone was a loving brother, father, son, uncle and friend Tyrone was known for his provoking ways very mischievous we would say he would bother you so much that you will be mad but just can't help but to laugh. Tyrone brought so much joy to his family, he touched many lives. To know him was to love him he was a caring person he would drop whatever he was doing just to give a helping hand. Tyrone taught us strength and showed us how to overcome any obstacle. Tyrone fell in love with exercising, he love long walks, Tyrone loved spending his days in the park. Tyrone loved to cook, one of my favorites curry goat. Tyrone loved listening to the sweet melodies of Marvin Gaye, bedroom music is what I call it.

Tyrone Sadly departed us on April 14, 2020 leaving behind mother Bernice Duncan, sister/mother Charmaine Duncan and siblings Alina Campbell, Gerald Duncan and Rohan Duncan, his children Nia Duncan, Tania Duncan and Taden Duncan, his niece Monique Richards, nephews Kareem Richards and Terill Duncan and remaining nieces and nephews.

Tyrone we miss you. Tyrone we love you. You will forever be in our hearts. God loved you and saw how tired you was and called you home.

To my family remember Luke 1:37 say "For God nothing shall be impossible" with our trust in HIM we will get through anything not alone but together as one. The Bible states to be absent in the body, is to be with the Lord. So even though we will miss him greatly his work on earth was done so we thank God for allowing him to grace us with his presence for 54 years.
