Until We Meet Again

*A light from our family is gone
A voice we loved is still,
A place is vacant in our lives
Which never can be filled.*

*We have to mourn the loss of one
We would've loved to keep
But God, who loves her best
Has finally let her sleep.*

*After a lifetime of her love and joy
And music to fill our ears,
God leaves these wonderful memories
To help us through the tears.*

The God's Garden

God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering He
knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids And
whispered, 'Peace be thine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.
