## The Love "We" Shared

The Love "We" Shared is not just for a day, week, month, or even a year.  
It carried us everywhere...

When you are, not look, or even you're found in an unclear, lonely, and at  
night of each other.  
To share "The Love" "We" Shared!

Playing, talking, laughing, and having weathered numerous storms...  
Because life without your "Joy" is held together by "The Love" "We" Shared!

Love.

*To My Family and Friends  
I am home in heaven, dear ones;  
Oh, so happy and so bright!  
There is a perfect joy and beauty in this everlasting light.  
Until we meet again...  
Gary*
