Reflections of Life

Louis N. Morris was born on September 25, 1946 to the late Anella and Cecil Morris, on the sweet tropical Island of Jamaica, WI.

In Jamaica he began his education attending St. Aloysius Catholic School and then went on to Buxton High School. After completing high school he migrated to the USA in which he continued his education receiving his BA in Dentistry from the Lyons Education Center.

In 1972 he began his employment career at the Valley Hospital in Ridgewood, NJ. He was employed there for over 45 years. Working was something he took serious and also enjoyed. Other enjoyments were sports, gardening and listening to music.

As life went on, Louis was called to a higher calling of GOD in the Apostolic Ministry at the True Witness Church of Jesus Christ, Inc. He was ordained as an Elder which he worked in many capacities of the ministry.

Sadly to say our BELOVED Husband, Father, Brother, Grandfather, Uncle, Cousin, Nephew has left us; his immediate family members, co-workers, and the True Witness Church family and especially his childhood friend. He will be greatly missed.

On Friday, May 8, 2020 Bro Louis N. Morris transitioned from this life to a New Life...

MAY HIS SOUL REST IN PEACE !
