Reflections of Life

Jaime “Nikki” Driskell was born October 25th 1978 in Paterson New Jersey. She was the daughter of the beautiful Linda Paulhill-Driskell and James “Redd” Driskell.

Jaime was a longtime resident of Paterson New Jersey and was raised in The Grand Street housing development for most of her life. She attended Public School No. 7 and then she went on to Eastside High School where she graduated.

Jaime fell in love with Rahman Croom and in their union and love they created three beautiful children.

Jaime was such a nurturing, intelligent, unique, and Genuine person. She was selfless and had so much love to give. She adored her family which was so important to her. She was always the life of the party and had unique insights on everything. She enjoyed being there for her loved ones. Everyone didn't understand her but those who knew her ... knew she was one of the “Good Guys” in this world. She was a great cook and a proud employee of “Loving Hands” looking after the elderly and people in need! She loved her Job and never looked at it as a chore.

Jaime was predeceased by her mother, Linda, aunt, Darlene Paulhill, father James D., and her grandparents, Mr. Robert and Kathleen Paulhill.

She leaves to cherish fond memories her three children, Reneiqua Croom, Jamal Croom, Jahlila Croom; her loving partner of 27 years, Rahman Croom; brother, Robert Harris; half sisters, Jaime Briggs and Lavosha Peaches Yough; one great aunt, Emma Canty; godmother, Diane Washington, nieces, cousins and friends.

She was such a unique beautiful individual and her spirit lives in us all whom she held in her heart. She is no longer seen in the physical however her energy and love will always be with us. I pray her soul found peace. Until we are reunited my first love may you Rest in peace.
