# Obituary

**Ricardo Lopez** 69 of Harrisburg, was granted his angel wings on June 2, 2020 in Hershey, PA.

Ricardo Lopez Jr. was born on February 2, 1951 to Ricardo Lopez Sr. and Isabel Gonzales in Lares, PR. He is survived by his 2 sisters Milagros Lopez, Miriam Lopez. Ricardo had 4 children Alberto Lopez, Lydia Cortes, Zaida Lopez, Sulay Lopez & he raised Betzaida Lopez. He also had 16 grandchildren and 27 great grandchildren.

He was preceded in death by Lydia Quiles, Ricardo Lopez Sr. and Isabel Gonzales

He enjoyed fixing cars, spending time with his family most of all. Ricardo or Richie as everyone would call him, as a child loved the river and eating oh he loved to eat. Even as an adult this didn't change, he still loved spending time at the river and he still loved a good meal. He loved the holidays when he could be with all his family, partying, drinking and yes eating. You would have thought as much as he loved a good meal he would have gained some weight but no he had the good genes. He had a smile that could light up any room. When you would go see him he was always happy to see you and always made everyone feel like they were part of the family. If you needed help he was always there to lend a helping hand. He loved spending time with his grandchildren and his great grandchildren. He spoiled them all the time. He always tried to protect his grandchildren when they got in trouble, he never would tell on any of them. He was always there for his children whenever they called he was there. I know he would want us all to remember him as the fun, loving person that he was. I know as a father we could not have asked for a better man to be our dad. He was loved by so many and will be missed by so many.

# Remember Me

Speak of me as you have always done.  
Remember the good times,  
laughter, and fun.

Share the happy memories we've made.  
Do not let them wither or fade.

I'll be with you in the summer's sun  
And when the winter's chill has come.  
I'll be the voice that whispers in the breeze.  
I'm peaceful now, put your mind at ease.  
I've rested my eyes and gone to sleep,  
But memories we've  
shared are yours to keep.

Sometimes our final days may be a test,  
But remember me when I was at my best.  
Although things may not be the same,  
Don't be afraid to use my name.

Let your sorrow last for just a while.  
Comfort each other and try to smile.

I've lived a life filled with joy and fun.  
Live on now, make me proud of what you'll become.

## Acknowledgement

The family wants to thank everyone for all  
their love and support through this tough time.
