Notice of Change of Address

Dear Family and Friends,

I want you to know that I have moved. I received a call from God, the Chief Architect, who informed me that my new house is ready and that I could move in immediately. I just didn't have time to give you notice.

You all know that I have been sending up timber in my own way, packing up a little at a time, getting ready to go, but there were some minor things to do, some things to finish, some finishing touches on some timber that only the Chief Carpenter, Jesus Christ, could help me do. I also had to wait for Him to let me know when He had finished some of the little things that were too broad, too thick or not long enough.

Well my new home is finished and it's such a beautiful sight to behold. It is located in an exclusive estate area, and it sits behind a beautiful Pearly Gate, just off a serene celestial shore. Of course, the streets are paved with gold and everyday is Sunday here, I have been told.

I have lived in several places before my new home was prepared and none of the others could compare. There is peace, joy, and happiness here, with no more pain and cares of the world to bear. So strife, or discontent, there is only sweet serenity everywhere and we could go on exploring around my new home, but I have to be fitted for my wings.

Let me give you my new address, because I highly recommend you make plans to live here too.

12 Gates to the City Avenue
Godstown, Heaven 77777

Oh yeah, let me tell you this Family and Friends, I don't have a telephone yet, but just call God. If you don't have His number, He is listed in the Good Book, on every page. Contact Him.
