A Message From Marvin

When tomorrow starts without me and I'm not there to see, if the sun should rise and find your eyes all filled with tears for me. I wish so much you wouldn't cry the way you did today, while thinking of the many things we didn't get to say. I know how much you love me as much as I love you and each time that you think of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart for every time you think of me I'm right here in your heart.
