

*Celebrating the Life of
Shadrick Lorenzo Lester-Lewis*

July 14th 1993 - January 28, 2022

Obituary

Shadrick Lorenzo Lester-Lewis said hello to this world on July 14th 1993, for 28.5 years he graced us with his love, smile and joy. But like every loving angel he couldn't stay long, on January 28th he earned his wings, took one last bow and departed this world.

Born in Florida raised in NYC Shadrick was an ambitious and driven young man. He attended Professional Performance Arts High School, earned an undergraduate degree in Vocal Performance from the University of Hartford, then on to graduate with a Master's Degree in Vocal Performance from NYU. Always ready to perform and lend a helping hand, Shadrick never said no to contributing his time and voice to be apart of many projects and community programs.

His love for his family and friends paired with his passion for the creative arts in particular music and dance made him an extraordinary person, who's touched our lives in so many different ways. He never stopped pursuing his dream to be the best version of himself. Always settings bigger goals and relentlessly chasing them, he never gave up on the pursuit of what brings him joy. Knowing him is an honor and a blessing; that's why it saddens us to say goodbye to him but knowing that his purpose on this world is fulfilled, we can rest assure he will always occupy a special place in our hearts. Fly high our superstar!
