Jayquan Jeramiah McKenley was born on March 20, 2003 at Brookdale Hospital in Brooklyn, New York, to Perry Williams and Naomi McKenley. He attended P.S. 091 for elementary school, middle school he attended I.S. 229/Henderson Middle School [NC]/Warren Middle School [NC], and high school he attended Warren Early College High School [NC]/Urban Dove Charter School. As a young child, Jayquan attended Greater Refuge Temple where he was baptized and was in the choir. At the age of ten, Jayquan moved down south to North Carolina with his father and stepmother. Jayquan loved to fish and ride dirt bikes with his father. Jayquan attended Bethlehem Baptist Church in Wise, North Carolina. He was baptized on August 06, 2017 and served as a junior usher. This role fit Jayquan well because of his great personality and will to help others. Jayquan was a very bright child, anything he put his mind to he excelled in. Jayquan loved basketball, he played in school for many years. He was special, he could play all five positions: center, power forward, small forward, point guard, and shooting guard.

Jayquan had many goals and aspirations; he was on his way to a very promising music career. He was also known as his artist name “Chii Wvttz” which was and currently is the buzz of the most popular social media platforms. Chii Wvttz was coming extremely close to taking the world by the Microphone at his time of passing. Make no mistake behind the tough exterior of his rap persona he was a jokester who loved to make people laugh. Chii Wvttz loved to make music videos and dance. You could always see him with a smile dancing!

His single “Geeked” featuring other known New York Drill rappers gained over 8.4 million views on Youtube. He was in the process of creating a new music video at the actual time of proceeding which will also be another huge effect in the music industry with influences from a friend and fellow artist.

LETTER TO JAYQUAN

It's sometimes hard to know
why some things happen as they do
for so much joy and happiness
was centered around you
It seems so hard to comprehend
that you're no longer here
but all the happy memories
will help to keep you near
You're thought about with pride, Son
with each mention of your name
death cannot change a single thing
The love will still remain

-Love Mom and Dad
