## *When Tomorrow Starts Without Me*

*If tomorrow starts without me, and I'm not there to see, If the sun should rise and find your eyes all filled with tears for me; I wish so much you wouldn't cry the way you did today, while thinking of the many things we didn't get to say. I know how much you care for me, and how much I care for you, and each time that you think of me I know you'll miss me too; But when tomorrow starts without me, please try to understand, that an angel came and called my name and took me by the hand, and said my place was ready in heaven far above, and that I'd have to leave behind all those I dearly love. So if tomorrow starts without me, don't think we're far apart, for every time you think of me, please know I'm in your heart*
