# *Tribute to a Wonderful Father*

*How swiftly the time passed by, your stay on earth,  
And comes the day when God calls you to your 'heavenly birth'.  
Zeal and zest for life you had always shown  
Even though you knew this world was not your home.  
Life now is lonely and dreary without you,  
But we will keep the memories of you to see us through.  
Father, brother, uncle and friend you were to us,  
And you never failed to encourage or scold us, if you must  
You were indeed a perfect father and husband,  
Providing for your family and always had an outstretched hand.  
Right now all we can think of is gone too soon,  
However we know that like a rose, you will forever in  
Our hearts bloom.  
So we will just accept the fact that you are only  
Sleeping out of sight,  
Ever in the arms of our Savior in the land where  
There's no night.  
Sleep on our beloved father, take your rest  
We will forever love you, but God loves you best*
