After Shawn graduated from Seton Hall Preparatory High School, he attended Penn State University where he majored in Business Administration. Shawn was a hard worker. He developed a good work ethic at the age of 10 as a newspaper carrier for the Daily Journal. Later, Shawn learned much of his trucking skills from his father. He loved trucks! He was a very good landscaper. Together, He and his cousin Frank Lewis partnered in starting their first business venture called “The Works.” Shawn diligently worked at FedEx for 20 + years.

Shawn loved to roller skate. He taught his daughter to roller skate when she was a little girl.

Our Shawn had a big heart and was a very special caring person from the time he was five years old at Brookdale Christian School in Bloomfield, NJ. He had an affinity for people. He emphasized with your struggles and rejoiced with your triumphs. He was a man with a compassionate heart that radiated through his smile and shared in his endless giving. INTERMENT

Rosemount Memorial Park
Elizabeth, New Jersey

Dear Dad

The pain that I am feeling

Never seems to go away

I wish I could visit Heaven

If only for a day

I know that you would hold me And
whisper in my ear

“Don’t think of me as gone away,
Because I am always near.”

I know you’re in a better place Where
you are at peace and free To be happy in
eternal life

And can still watch over me

Although the door between our worlds
Is closed and we’re apart

Until the time God opens it

You’re always in my heart.

ACKNOWLEDGEMENT

*The Carter Family wishes to express our
sincere thanks for the flowers, other
expressions of love and most of all for just
being there during our time of bereavement.*
