A Message from Nancy A. Love

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

*I'd like to leave an echo whispering softly down the ways, of happy times
and laughing times and bright and sunny days.*

*I'd like the tears of those who grieve to dry before the sun of happy
memories that I leave behind when life is done.*

Always
in our hearts
Forever
in our memory

*Another leaf has fallen, another soul has gone.
But still we have God's promises, in every robin's song.
For He is in His Heaven, and though He takes away.
He always leaves to mortals, the bright sun's kindly ray.
He leaves the fragrant blossoms, and lovely forests green.
And gives us new found comfort, when we on Him will lean.*

Acknowledgements

*The family wishes to acknowledge with deep appreciation
the many expressions of love, concern and kindness shown
to their family during this hour of bereavement.*

May God Bless and Keep You!
