FOREVER IN OUR *Hearts*

Vernard Porcher September 11, 1961 - May 18, 2022

Vernard was born in Pittsburgh, Pennsylvania on September 11, 1961. Vernard was raised in Westfield, NJ by his foster parents, Charles and Jillian Bartlett due to his biological parents passing early in Vernard's life. Vernard graduated from Westfield High School in 1980 and became a member of Community Access Unlimited in 1982.

During Vernard's adult life he was employed at Standard Nipple Company from 1988 to 2004. Vernard held other positions including food service attendant at Whinston's Culinary Group, janitorial assistant and security guard at Community Access Unlimited.

Vernard loved to collect cars and trucks as well as building model cars. He aspired to be a mechanic one day and loved working with his hands. He enjoyed talking about his memorabilia as well as wrestling. Vernard was loved by his neighbors and friends and was known for his kind hearted nature and his optimism and gratitude of what life had to offer him.

Vernard loved debating with staff about the shows he watched or the current world news, while stating how he would run the country or fix a current world situation if he was in charge. Vernard was one of a kind and staff always looked forward to working with him knowing that he had plans to talk about the latest episodes of Law & Order or NCSI. Vernard loved to talk about how the show's dynamics sometimes didn't make sense on his favorite show, Law & Order. Vernard loved to watch and talk about sports, especially his Pittsburg Steelers.

Vernard often spoke of writing a book on his life and viewpoints.

Vernard loved to go on long walks with staff out in the community to enjoy the weather or to just enjoy his time in the community.

He will be greatly missed.

Services to be held at Nesbitt Funeral Home
Monday, May 23, 2022 at 9:30 am
Procession to Evergreen Cemetery for Graveside services
