# *I'm Just Me*

I'm not perfect. I'm me. I've made bad decisions and wrong choices, but I'm me.

I've said the wrong things because I'm me.

I've said the right things because I'm me.

I don't like everything I've done but I did it because I'm me.

I've loved the wrong people  
and trusted the wrong people and I'm still me.

If I had a chance to start again I wouldn't change a thing,  
Why? Because I'm me.

There are a lot of good things about me,  
you just need to look past the imperfections to what's right.

If you can't do that then it 's your loss.

I'm the best I can be, I am me.
