*Our Husband and Father
Asleep*

*Away from earth's worries
Away from all cares
Our loved one is sleeping
Beyond the sun's glare,
His life's work is finished
So why should we weep?
In God's wonderful garden
He has fallen asleep.*

Acknowledgements

*The family wishes to acknowledge with deep appreciation
the many expressions of love, concern and kindness shown
to their family during this hour of bereavement.*

May God Bless and Keep You!
