# Obituary

**Jillian Jhaneene Alexander Ellison** born October 6th, 1989, went home June 5th 2022. This poem was written for Jillian a few minutes after she was born at St Joseph's Hospital in Kingston Jamaica, and it speaks to everything that she was and stood for.

Jillian started reading at 1 year old, started going to school at 1 1/2-year-old she attended Waterloo prep in Jamaica, she also attended CS 102, Michael Angelo

Middle school, Dewitt Clinton High School, Bronx Community College, and Westchester community college. She later went to ABC and became a CNA, Lincoln college where she became an LPN and was presently attending New Jersey School of Nursing for her RN.

During her High School years Jillian would work at Jacobi Hospital as a Teen Mentor. She earned her Black belt in karate at age 10, became junior life guard at Mt Vernon YWCA at age 13. In every aspect of her life, she excelled maintaining her position on the Honor Roll at every school she attended for every year she attended them.

She was an amazing daughter, a wonderful wife, and an excellent mother not only to her three beautiful girls but to her nieces, nephews, and to the kids of numerous friends and family.

Jillian was the second oldest of her sisters and brother but the way she ran their lives you would think she was the oldest. She and her sisters and brother were best friends, tight like vice grip, it took death to separate them.

Jillian was a leader, just start planning something with her around and before you know it, she is the one planning it whether it's a BBQ, baby shower, birthday party, baby christening or wedding, whatever it was she took over the planning. When it came to shopping, she would take you anywhere because she knew where all the deals were. If you had somewhere to go, she would be the first one to say, "I'll take you" and she was ready to go.

Jillian was very adventurous, she loved to take trips with her children, she believed that they should be knowledgeable about different cultures and different countries and states. She was very strict with their education but she made learning for them so fun they sometimes didn't even realize that she was teaching them.

Jillian did a lot for a lot. Her job here is finished and she is resting in the arms of the LORD, and will be in our hearts forever.

She is survived by her three beautiful daughters, mother, stepfather, father, sisters and brother and numerous aunts, uncles, nieces, nephews, and cousins.

She will be missed by all who knew and loved her.

O Lord, my God, when I in awesome wonder  
consider all the works thy hands hath made,  
I see the stars, I hear the mighty thunder,  
thy pow'r throughout the universe displayed;

Refrain.

Then sings my soul, my Savior-God, to thee.  
How great thou art! How great thou art!  
Then sings my soul, my Savior-God, to thee.  
How great thou art! How great thou art!

When through the woods and forest glades I wander,  
and hear the birds sing sweetly in the trees;  
when I look down from lofty mountain grandeur  
and hear the brook and feel the gentle breeze; [Refrain]

And when I think that God, his Son not sparing,  
sent him to die, I scarce can take it in,  
that on the cross my burden gladly bearing  
he bled and died to take away my sin; [Refrain]

When Christ shall come with shout of acclamation  
and take me home, what joy shall fill my heart!  
Then I shall bow in humble adoration  
and there proclaim: "My God, how great thou art!" [Refrain]

*How Great Thou Art*
