Suddenly

Sorry I had to Leave You So Suddenly

*Sorry I had to leave in a sudden kind of way;
didn't have time to call and say good-bye today.*

*I knew you would understand, because that's the way you are;
don't worry about the distance because I'm not really that far.
Don't wait up and please don't cry you didn't hear me say good-bye.*

Acknowledgements

*The family would like to thank everyone for their kindness
and support during this difficult time. We understand that
you are mourning too and truly appreciate everyone.*
