“Vision my Love”

We filled our hearts and minds with love and laughter, we started from young and experience life... as children we tried to make it faster. Overall we came together and it was beautiful to see, everywhere we looked we always ran into family. Time shared unfortunately comes and we know that it will go, as life begins... unfortunately we know that it will end but we wish it were never so. I challenge each and every one of you... Remember my smiles, my laughter, my joy in craftiness too... but most of all...never forget... I will always love you.
“ Natalie “
