Obituary

It is with heavy hearts that we honor and say goodbye to our baby boy. Some people dream of angels, we held one in our arms.

Dominic Jr. was affectionately known as DJ. He was born on April 12th, 2022 at Capital Health-Hopewell Hospital in Pennington, NJ, weighing in at 6 pounds, 7 ounces.

Our precious angel DJ, departed this life and passed gently into the arms of Jesus on August 11th, 2022 after suffering a fatal brain injury.

DJ was the only child born to Diamond Thompson and Dominic Bowman, Sr. He was the answer to their prayers, as they anticipated his birth with joyful expectations.

During DJ's brief life he laughed and smiled often. DJ loved music, cuddling with his parents, snuggling with his favorite plush toys, and hearing stories read from his favorite books. He was a bright and beautiful light.

DJ was loved by all who met him, and he brought happiness to everyone he touched.

DJ was preceded in death by his paternal grandmother Karen Denise Bowman and his paternal uncle Samuel "Hubba" McDowell.

He is survived by his parents Diamond Thompson and Dominic Bowman, Sr. His maternal grandparents, Nicole Thompson and Andre Caldwell. Maternal great-mother, Imogene Thompson. Aunts, Nyeisha Thompson and Sheneen Beckett. Uncles, Michael and Donald Thompson, and Duane and Jamar Bowman. His godparents, James and Valerie Boswell, Jerrell Daye and Grace Colón. As well as, a host of cousins, other relatives, and dear friends.

DJ gave us a lifetime of love during his short time on this earth. He will be deeply missed.

The family would like to thank the staff, doctors, and medical personnel at the Children's Hospital of Philadelphia for the incredible care they provided to DJ. They would also like to give a very special thank you to DJ's Jaddi, Reggie Walker. To everyone, we appreciate all of your prayers, condolences, donations, love, and support extended to us during this time.

When Tomorrow Starts Without Me

When tomorrow starts without me, and I'm not there to see if the sun should rise and find your eyes, all filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say. I know how much you love me, as much as I love you, and each time that you think of me, I know you'll miss me too. But when tomorrow starts without me, please try to understand that an angel came and called my name, and took me by the hand and said, "my place was ready, in heaven far above and that I'd have to leave behind, all those I dearly love." But when I walked through heaven's gates, I felt so much at home. When God looked down and smiled at me, from His great golden throne. He said "This is eternity, and all I've promised you." Today for life on earth is past, but here it starts anew. I promise no tomorrow, for today will always last. And since each day's the same way, there's no longing for the past. So when tomorrow starts without me, don't think we're far apart. For every time you think of me, I'm right here in your heart.
