# Obituary

Victoria Robinson was born on June 16, 1954 to Bernice Robinson-Burwell and Tommy Moore. and raised by stepfather Frank Burwell. Victoria, 1 of 8 children was affectionately known as Vikki to her family and friends. She attended the Orange Public School system and graduated from Orange High School in Orange, New Jersey.

Orange was home, Vikki was a lifetime resident of this small town and a staple in her community. It all began on South Jefferson Street in the valley, where she grew up. There is where she would meet some friends that would last a lifetime and become family. Vikki never met a stranger. She was outgoing, kind, loving and had compassion for others even as a young girl. Her friends knew they could count on her in any situation. The love she had for people would eventually have her enter the medical field where she would become a certified nurse's aide. She had a passion to care for others, working at several hospitals and nursing homes throughout her career. Devoting her time, love and attention to those in need filled her heart with joy. Vikki's Love extended beyond just humans. She had a love for animals as well, especially cats. She was an amazing cat mom to her beloved feline companion Kelly.

Vikki loved to listen to music and loved to dance. You would hear songs by her favorite artist like Patti LaBelle and Aretha Franklin often in her home. She was fun and when you were in her presence you knew you were going to have a great time. She enjoyed card parties and playing dominoes with friends. In her quiet time, you could find her watching game shows like the Prices Right or Steve Harvey's Who Wants to Make a Deal or just a good ol' word puzzle. She also thoroughly enjoyed watching African movie cinema. Vikki also loved seafood and was ready to eat that at any time. You never had to ask what she was in the mood for because you already knew.

Later in life Vikki gave her life to Christ and began her relationship with God. She started attending Ebenezer Baptist Church in Orange under the leadership of Pastor William Rutherford. During this time Vikki began battling cancer, she was a fighter though a survivor and her faith never wavered. She knew God to be an Almighty Healer. You could often see her post quotes from The Bible or positive affirmations online. She would also send out personal love messages through text to her family and friends. This is the type of woman she was, still always encouraging the next one even when she wasn't feeling her best.

On August 31, 2022, Victoria Robinson passed away at White House nursing home in Orange New jersey. Although, her physical body may no longer be with us her beautiful spirit and lasting memories will remain with everyone that knew and loved her.

Vikki was preceded in death by her parents Bernice Robinson-Burwell and Tommy Moore, step-father Frank Burwell, sisters; Darlene Burwell and Retonia Burwell as well as her brothers; Claude Gaines and Brian Burwell.

# *Always In Your Heart*

*Picture me as I was, Full of life and love.  
Although not with you now, I'm watching from  
above. I know how much you miss me, And I miss  
you too. It was my time to leave, As each of us will  
do. Although not in your arms. I'm always in your  
heart. The precious love we shared, means we're  
never far apart.*
