Broken Chain

We little knew that morning

That God was going To call your name.

In life we loved you dearly, In death we do the same

It broke our hearts to lose you, You did not go alone;

For part of us went with you. The day God called you home

You left us peaceful memories Your love is still our guide

And though we cannot see you You are always at our side.

Our family chain is broken And nothing seems the same

But as God call us one by one The chain will link again
