

MY SISTER'S LOVE ♥

I realize how tension and hurt can stimulate over the years but one thing I know for sure is that love is more powerful and has its way to work through many souls for silence and adapting to some ways to soothe for healing and to ease the comfort.

Sonia believed and trusted in her family. She wanted to protect them always; she loved very hard.

Careful is what she tried to do and tried to be. She shared her love the best way she knew how. She even tried without hurting anyone of you.

The Holy Spirit spoke to Sonia and said I'll always love you even in spirit. My sisters' and my brothers' my nieces and nephews my love for you and many others may not understand but even through my hardest times I know my God has blessed me and guided me through my darkest moment and I know the spirit led me to my precious hour that no one expected within the hour.

I loved you all so dearly. God we know, In God we trust

~ OBITUARY ~

Sonia was strong and gifted at many things. She was certified as an (intern) nurse assistant. Her desire was to care for her mother even though she needed care for herself. She was always determined to return home to her mother and to reassure her love. Her mother was her Rock.

Sonia loved, and when she did, she loved hard. She never let the word NO hold her back. No, the Pandemic still didn't hold her back. She believed in the word and knew the strong and powerful mighty of her God. A strong woman of God, she praised and worshipped God from her home and regularly had her prayer time.

IN THE SUN

In the sun is where you'll find me; the energy that flows beneath me.

Here, I lay to rest proceeded before me in death, my Father Ralph King and Mother Virginia L. Pennerman along with my brothers, Nathaniel Sr., and James that will rest along with me.

As I rise, I leave behind, always helpful and strong, my sister, Stephanie Rowe. I love and respect you so much. Along with Lorna, Sheila, Sheryl, and my dear sister Serena loving you with a glow. My brothers, Ralph (wife Rose) and Amin (aka-Tony) will always be my strong brothers to me.

But the most important loves of my life are my two sons Sharif and Sharod, you both have always been my bright light. I love you forever and will always be a part of your light.

Thank you for giving me my grandchildren, the extreme joys of my life Nadia, Anahj, Shaniece, Sinai, Sylas, and Sincere. I tried to do all I could do before we parted but I leave these words especially for you.

“I love my babies forever with all my might” Grandma Sonia will always be a part of you. Thank you to the mothers with love.”

Shante K. thank you for your help and support.

To my beautiful niece Sheniqua, my first joy you were my heart. Lots of joy to my niece Sierra, and to my other nieces and nephews, much love to all of you. To all my aunts, uncles, and cousins I send my peace with love. ❤️

Now comes the sun, strong and bright: a Daughter, a Mother, a Sister who held a strong fight. Time to rest your spirit.

Until we meet again, I'll see you next time In The Sun light.
