"Rescue Me"

*God came down and rescued me
He told me there was another place I needed to be
It was time for me to move on to a different place
Somewhere close by, where I could feel God's grace
I was struggling down here all the pain I endured
I was rescued and now I won't suffer anymore
I'm going to miss you so much, but this is better for me
I don't want you to be so sad when you think of me
I am happy and smiling, I am finally at peace
Praise the Lord because now my soul is at ease
God is so amazing for rescuing me
I'll be watching you from where God needed me to be*
