# Obituary

On November 30, 2022, **George Livermore, Jr.**, affectionately known as “Junnie” was called back to heaven. He was born on October 14, 1953, in Harlem, New York. He was the fourth born child in a family of six to the late George Livermore, Sr. and Kathleen Livermore. He was a dedicated husband, father, and friend to many.

## **Life Reflection**

He received his education at the Julia Richman High School in New York. He attended Bronx Community College where he received an Associate Degree in business. While furthering his education at Baruch College, he paused to join the US Army where he was recognized with a Medal for National Defense Service as an M16 sharpshooter. After he was honorably discharged, he completed his education at Pace University where he received a Bachelor’s Degree in Marketing and a concentration in Management.

George was a leader. He used his leadership skills as a manager in the retail industry for over 20 years. He then pivoted his career to work within the New York City Department of Human Resources Administration, where he was promoted to Supervisor. He continued making a difference to his employees and serviced many New Yorkers in need.

He was the life of the party. He enjoyed dancing and hanging around family and friends. George was a great conversationalist. Anyone who knew George, knew if you got into a conversation with him, he would be on point with his facts, so you better come prepared! If you asked him for advice, he would tell you like it is. He always had sound advice that never came sugar coated.

George lived life to the fullest. Amongst his favorite things to do were vacationing with family, taking photos, enjoying sports, watching movies and T.V., cooking and eating good food.

George was united in marriage to Delores Diggs Livermore on May 7, 1988. His memories will be cherished by his loving wife; three daughters, Tania, Chavonne and Dorothy; his son, Nakia; daughter-in-law, Harriet; his grandchildren, Ambrayia and Nasire; his great grandchild, Zariah; two brothers, Herbert and Arnold; and a host of of nieces, nephews, family members and friends.

# A CLASS ACT

You were committed to your family  
and encouraged them to be their best  
You paid attention to detail and made sure things were right  
You were a joy to be around and always had a smile  
You loved to dance, entertain, and have fun  
Your laughter was contagious that spread to others  
You made others feel good in a certain kind of way  
You made good choices of where to travel and saw many  
places  
You brought others along to enjoy the good times  
You were down to earth and enjoyed with most  
You were stylish and sophisticated when you wanted  
to be  
Your family and friends are proud of what you  
accomplished in life and that you were part of their  
lives  
All these things your family and friends will not  
forget  
Because  
There won't ever be another  
What "A Class Act" you were!  
By Marie Johnson-Ladson
