Dear Daddy,

My heart is so broken. We have been through so much together and our love for one another was unconditional. You were my protector, my main man, my superman, and my best friend. Although my heart is broken because you are no longer here with me, I find comfort in knowing you are no longer suffering, and for that I cant be selfish. I Love You so much Daddy and I miss you. I know that you are in a better place watching over me. I will continue to push myself in life the way that you would have wanted me to. Thank you Daddy for 33 beautiful years of life with you. You was the best Daddy in the whole world. I will always love you...always and forever.

Love Always, Your Daughter

Trish ♥
