Afterglow

*I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who grieve,
to dry before the sun;
Of happy memories that I leave
when life is done.*

Acknowledgements

*The family wishes to acknowledge with deep appreciation
the many expressions of love, concern and kindness shown
to their family during this hour of bereavement.*

May God Bless and Keep You!
