I Made It

I finally made it
I finally made it to see my Lord
I made it back home to my father
And he welcomed me with open arms aboard
I made it back to the place
Where I can talk with God face to face
He delivered me and set me free with so much grace
Rejoice because I made it
I made it home to be with him
For he knew my time was near
When my life had began
Don't hurt too much
Allow God to comfort the pain
I made it
I made it
And an angel you have gained
I finally made it
To heaven, see how God set me free?
