MISS ME BUT LET ME GO

When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom filled room,
Why cry for a soul set free,
Miss me a little but not too long
And not with your head bowed low.
Remember the love we once shared
Miss Me But Let Me Go
For this is a journey we all must take
And each and every one of us must go alone.
It's part of the Master's plan,
A step on the road to home.
When you are lonely and sick of heart,
Go to the friends we know
And bury your sorrows in doing good deeds.
Miss Me But Let Me Go
