Today I have gone to rest in the Lord for good.

Today, I realized that my beautiful house on earth wasn't so beautiful

Today, I see the beauty of heaven

Today I see my house in heaven so immaculate

Today I see many are on this journey with me, I'm not really alone

Today, we barely know the difference between earth and heaven, here, except heaven is far better

Then I wonder why scared of death!!!

The best time to prepare for this journey is TODAY because tomorrow is closer than anyone could imagine

Don't be fooled by the numbers 5, 10, 20, 30+ years ahead

Please don't cry for me

Emman enjoy your rest in the beautiful heaven in your immaculate house

Rest In Peace until we meet to path no more

You was my in-law

You was my friend

You was my brother from another mother

We shared so much together, Emman

Sometimes we laughed together

Sometimes we talked on various things

Sometimes we quarrel

All these summed up the memories I treasure now

Today I thank you for all the lessons you taught me

Emman, Rest In Peace.

You will be missed greatly.

MI
