Obituary

Antonio F. Neville Jr. (Tone) was born March 25th, 1980, at St. Joseph's Hospital Medical Center in Paterson, New Jersey to Antonio F. Neville Sr. and Annie Green. He departed this earth suddenly on November 8th, 2024. Antonio was a lifelong resident of Passaic, New Jersey and graduated from Passaic High School. Antonio held many jobs throughout his life, most recently being a forklift operator. Tone was a very good, kind, and caring person with a big heart.

Antonio loved to cook, play basketball, and listen to music. All you could hear him play is D Block everywhere. He loved family time laughing and joking with his mom and children, especially playing cards with Pops, which he never won, calling his brother to say, "Big Bruh Pops cheating." You couldn't be around him without having either a long conversation, a fake rap battle, or a couple of laughs. He was one man full of surprises. He truly will be missed.

He was preceded in death by niece, Stashaya J. Green Hicks.

Antonio leaves behind to cherish his memory: (son) Nasir Brandon Neville; (daughter) Summerlyn Lashawn Neville; (mom) Annie Green; (father) Antonio Neville Sr.; (stepfather) William Frank Green; (brother) Steven Green; (sister-in-law) Tonia Green; (nephew) Rashawn Green; stepsister, Tayvon Turner; stepbrother, Trinidad Taylor, and a host of cousins, family and friends.

Letter from Summerlyn and Nasir

My dad first and my best friend right after... you were the best to me no matter the circumstances. Our bond grew stronger and stronger through the years. From taking me to get an apple every day before school... and teaching me to play basketball... and seeing you at my games... to the laughs we shared on our long walks, to our hour-long phone conversations. Nobody can take away that you were always a great father to me no matter what! You were a great man despite your flaws, as we all have flaws. I see right through yours and see an outgoing, caring, loving person that loves to make everyone smile. I'm thankful to be your daughter and forever thankful to have had you as my father. Daddy and daughter... a bond that can't be broken. Your wings were ready, but our hearts weren't. I love you forever.

*Love,
Summer*

"Every day without you has been hard, but on this day especially, I can't help but think how much I wish you were here with me. I'm so thankful for all the memories we shared together. The structure of you raising us will forever be molded into me. I'll continue to live this life for you. Every breath I take, I'll take one for you, too.

You left every person in this room in complete shock. Your name will forever live in the ones who loved you truly. I will always do my best to stay strong. Your soul is so pure that it feels like you're standing right next to me. I will miss you forever, and I will never forget what you did for me. I will never forget why you gave me my name. A piece of my heart will always be with you until we are able to meet again.

*I love you, Dad.

John 14:1-3

“Do not let your hearts be troubled. You believe in God; believe also in me. My Father’s house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.”
